11. VALUE ADDED TAX (VAT) AND DUTY

Lots in this Sale are subject to the addition of VAT and Duty in accordance with the rules of HM Revenue and Customs. In practical terms, the majority of lots will be subject to the addition of VAT and Duty.

Where VAT is relevant, it will be levied on the bid price and charged in addition to the bid price. Where the Sale is subject to a Buyer's premium, then VAT will also be payable on, and in addition to, the calculated Buyer's premium.

VAT charged on the bid price may be refunded, in appropriate cases, where notification has been received by Hilco before, or within two working days of completion of the Sale, that the Buyer intends to export the goods. Where such notification has been received, the VAT will be levied at the point of Sale and held for a period of four weeks from completion of the Sale. For these purposes, the completion of the Sale is specified as 8th December 2011.

Subject to the above, the two conditions under which VAT will be repaid are as follows:

Non EC Purchasers: VAT will be repaid upon receipt of a copy of the Bill of Lading, or other official documentation, to prove that the goods have been exported.

Companies Registered in an EC Member State: VAT will be repaid upon receipt of a copy of the Bill of Lading, or other official documentation, to prove that the goods have been exported.

In the event that claimants do not comply with the above terms, the VAT element will be transferred to the Seller in accordance with our standard VAT procedures.

Specified lots are subject to Duty, as they are held in Bond.

Duty is calculated on the Purchase Price and will be payable to the bonded warehouse, whom will satisfy HM Revenue and Customs.
